

## Curriculum Vitae

### Philip Schatz

Academic Office:  
Saint Joseph's University  
Psychology 222 Post Hall  
Philadelphia, PA 19131  
(610) 660-1804

Internet:  
<http://schatz.sju.edu/>  
e-mail: pschatz@sju.edu

#### Academic Preparation:

Ph.D. Clinical Neuropsychology: Drexel University, June 1995.  
Pre-Doctoral Internship: The Toronto Hospital, Sept. 1991- 1992.  
M.S. Neuropsychology: Drexel University, June 1990.  
B.S. Psychology: Pennsylvania State University, January 1987.

#### Teaching:

**Professor**, Saint Joseph's University, *Philadelphia, PA.*

Assistant Professor, Aug. 1998 – 2005. Tenured: 2004;  
Promoted to Associate Professor: 2005; Promoted to Professor: 2009

Undergraduate Courses Taught: Introductory Psychology, Computer Applications, Psychological Testing, Issues in Clinical Psychology, Ethics in Psychology, Neuropsychology, Research Methods, Statistics, Research Seminar in Brain Injury and Concussion.

Graduate Courses Taught: Assessment and Evaluation, Advanced Research Methodology, Advanced Multivariate Statistics, Advanced Research Methods and Statistics, Neuropsychology.

**Adjunct Assistant Professor**, Sept. 1992 – July 1998: Experimental, Introductory, Social and Cognitive Psychology; Computer Applications/Research Methods. Drexel University, *Philadelphia, PA.*

**Neuroanatomy Instructor**. Summer 1997 - 1999. Occupational Therapy Program, University of Sciences in Philadelphia, *Philadelphia, PA.*

**Neuropsychology Grand Rounds**. Sept. 1991 - Aug. 1992. The Toronto Hospital, *Toronto, Ontario.*

#### Clinical Work:

**Consultant**. July 2002 – 2007. Pennsylvania Department of Health, Pennsylvania Head Injury Program.

**Consultant**. Sept. 1999 – 2001. Pennsylvania Department of Public Welfare, CommCare Program.

**Psychology Consultant**. Sept. 1994 – Sept. 1998. Professional Psychology Group, *Bala Cynwyd, PA.*

**Director of Psychological Services**. June 1995 - Sept. 1996. Brighten Place, *Chalfont, PA.*

**Neurorehabilitation Specialist**. May 1993 - June 1995. Counseling and Rehab. Inc., *Wyomissing, PA.*

**Neurobehavioral Specialist**. Dec. 1992 - Apr. 1993. Moss Rehabilitation Hospital, *Phila., PA.*

**Clinical Neuropsychology Intern**. Sept. 1991 - August 1992. The Toronto Hospital, *Toronto, Ontario.*

**Community Re-Entry Therapist**. Feb. 1991 - April 1991. Moss Rehabilitation Hospital, *Phila., PA.*

**Neuropsychology Intern**. Mar. 1989 - June 1990. Drucker Brain Injury Center, Moss Rehab. *Phila., PA.*

#### Research Activities:

**Director of Neuropsychology Research**. Jan. 2009 – present. Sports Concussion Center of NJ. *Lawrenceville, NJ.*

**Research Consultant**. May 2009 – May 2013. International Brain Research Foundation. *Edison, NJ.*

**Research Consultant**. May 1994 – 2007. Pennsylvania Head Injury Program.

**Research Consultant**. June 1999 – 2001. Department of Public Welfare CommCare Program.

**Institutional Research Scientist**. December 1997 – August 1998. Drexel University, *Philadelphia, PA.*

**Data Analyst**. June 1997 - June 1998. Drexel University Futures Center, *Philadelphia, PA.*

**Post-Doctoral Research Fellow**. June 1995 - June 1996. Drexel University, *Philadelphia, PA.*

**Doctoral Dissertation**. June 1995. Predicting level of independence following moderate to severe traumatic brain injury, Drexel University, *Philadelphia, PA.*

**Research Associate**. May 1988 - Dec. 1988. Teaching organizational thinking to reduce the demand on impaired memory, Moss Rehabilitation Hospital, *Philadelphia, PA.*

**Distinguished Honors & Positions:**

**Faculty Merit Award:** Achievement in Research, Saint Joseph's University, 2013.  
**Faculty Merit Award:** Achievement in Teaching, Saint Joseph's University, 2011.  
**Distinguished Service Award:** National Academy of Neuropsychology, 2008  
**Nelson Butters Award:** Research Contributions to Neuropsychology, Nat'l Academy of Neuropsychology, 2007  
**Faculty Merit Award:** Achievement in Service, Saint Joseph's University, 2008.  
**Faculty Merit Award:** Achievement in Research, Saint Joseph's University, 2007.  
**Fellow:** National Academy of Neuropsychology, 2005.  
**Chair:** Institutional Review Board, Saint Joseph's University, 2002-2012.  
**Faculty Merit Award:** Achievement in Research, Saint Joseph's University, 2002.  
**President:** Philadelphia Neuropsychology Society, 2003-2004.  
**Chair:** Information Technology, National Academy of Neuropsychology, 2003-2012  
**Director:** National Academy of Neuropsychology distance Program, 1996-2003.  
**Board Member:** Philadelphia Neuropsychology Society, 1999-2008.

**Grants/Contracts:**

2010-2013. Disorders of Consciousness (DOC) Advanced Care Protocol (ACP)," awarded by International Brain Research Foundation, Inc. pass through from Department of Defense sub-award number W81XWH-10-2-0102-SJU. Total Award Value: \$189,565

**Co-Investigator,** 1996 - 2002. National Academy of Neuropsychology distance Program.  
 Total Award Value: \$275,000

**Summer Research Grant:** Saint Joseph's University: 2002, 2006, 2015.

**Publications: Peer-Reviewed Scholarly Research Papers (student co-authors in bold)**

1. Lehman Blake M, Ott S, **Villanyi E**, Kazhuro K, Schatz P. (2015). Influence of language of administration on ImPACT performance by bilingual Spanish-English college students. *Arch Clin Neuropsychol*, 30(4):302-9.
2. Elbin RJ, Beatty A, Covassin T, Schatz P, Hydeman A, Kontos AP. (2015). A preliminary examination of neurocognitive performance and symptoms following a bout of soccer heading in athletes wearing protective soccer headbands. *Res Sports Med*, 23(2):203-14.
3. Schatz P, Ybarra V, Leitner D. (2015). Validating the accuracy of reaction time assessment on computer-based tablet devices. *Assessment*, 22(4), 405-10.

#### **Conference Poster Presentations:**

1. Wojtowicz M, Iverson G, Resch JE, Schatz P, Rayford M, Maxwell BA, Zafonte R, Berkner P. (2015). Factors associated with invalid scores on baseline neurocognitive testing in athletes. Poster presentation at the 35th Annual Conference of the National Academy of Neuropsychology, Austin, TX, November 2015.
2. **Engler ND, Gallion CJ, Schatz P, Bonacci JA, Elbin RJ.** (2015, June). Investigating the test-retest reliability of the Standardized Concussion Assessment Tool 3 (SCAT3) in a sample of high school students. National Athletic Trainers' Association Conference, St Louis, MO.
3. Elbin RJ, **Gallion C, Dobbs E, Schatz P, Kontos AP, Covassin T.** (2015) Investigating 1-hour test-retest reliability of the Immediate Post-concussion Assessment and Cognitive Testing (ImPACT): Evidence for a broader application? Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
4. Gardner AJ, **Musgrove K, Iverson GL, McNeil D, Schatz P.** (2015). Sensitivity and specificity of CogSport™ for detecting poor effort. Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
5. Moser RS, Kollias K, **Grossner E, Schatz P.** (2015). ImPACT test-retest reliability in young athletes. Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society,

Atlanta GA. May 2015.

6. Reynolds E, Fazio Sumrok V, Schatz P, Henry L, Kontos AP. (2015). Preadolescent performance on computerized neurocognitive testing: A case for separate norms. Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
7. **Smyk N**, Chase D, Schatz P, Franks RR. (2015). Stability of effort across comprehensive neuropsychological assessment in youth following sports-related concussion. Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
8. **Womble MN**, Reynolds E, Schatz P, Shah KM, Kontos AP. (2015). Influence of age and sex on test-retest reliability of ImPACT in youth ice hockey players. Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
9. **Ybarra V**, Schatz P. (2015). Effect of motivation on ImPACT testing. (2015). Poster presentation at the 3<sup>rd</sup> Annual Conference of the Sports Neuropsychology Society, Atlanta GA. May 2015.
10. **Kelley T**, Schatz P. (2014). Evaluation of different administration methods of a tablet-based reaction time test. Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
11. Schatz P, **Grossner E**. (2014). Preliminary data supporting a short-form of the ImPACT test. Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
12. Schatz P, Ybarra V, Leitner D. (2014). Analysis of millisecond timing accuracy on the iPad and Android. (2014). Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
13. Moser, RS, **Glenn M**, Schatz P. (2014). Evidence for the utility of comprehensive rest in youth concussion. Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
14. Moser RS, Karpf R, Schatz P. (2014). Relationship between history of previous concussion and the risk of sustaining a second concussion. Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
15. Higgins K, Ott S, Schatz P. (2014). Baseline profiles of athletes with ADHD, learning disability, dyslexia, multiple concussions or insufficient effort (sandbagging). Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
16. Elbin RJ, Gallion C, Schatz P, Covassin T. (2014). Examining self-reported strenuous exercise on baseline neurocognitive test performance in high school athletes. Poster presentation at the 2<sup>nd</sup> Annual Conference of the Sports Neuropsychology Society, Dallas TX. April 2014.
17. **Pineda P**, Schatz P, Reesman J. (2014). Utility of the ImPACT with Deaf Adolescents. Poster Presentation at the 42<sup>nd</sup> Annual Conference of the International Neuropsychology Society. Seattle WA. February 2014.
18. Schatz P, Iverson G. (2014). Improving the Psychometric Interpretation of ImPACT using Base Rate Analyses. Poster Presentation at the 42<sup>nd</sup> Annual Conference of the International Neuropsychology Society. Seattle WA. February 2014.
19. **Sandel NK**, Schatz P, Lovell MR, Solomon GS. (2014). The use of psychostimulants among adolescent athletes with reported ADHD impacts computerized neurocognitive baseline test performance. Poster Presentation at the 42<sup>nd</sup> Annual Conference of the International Neuropsychology Society. Seattle WA. February 2014.

20. **Sandel NK**, Solomon GS, Lovell MR, Schatz P. (2014). Normative data for the neuropsychological risk factors reported on the ImPACT neurocognitive test battery. Poster Presentation at the 42<sup>nd</sup> Annual Conference of the International Neuropsychology Society. Seattle WA. February 2014.
21. **Sandel NK**, Lovell MR, Solomon GS, Schatz P. (2014). Adolescent athletes with a history of seizures report a greater number of symptoms at baseline compared to matched controls. Poster Presentation at the 42<sup>nd</sup> Annual Conference of the International Neuropsychology Society. Seattle WA. February 2014.
22. Lichtenstein J, Moser RS, **Glatts C**, Schatz P. (2013). Frequency of invalid ImPACT baselines in a private practice setting: The implications of age. Poster Presentation at the 11th Annual Conference of the American Academy of Clinical Neuropsychology. Chicago, Ill. June, 2013.
23. Moser RS, Schatz P. (2013). Rest improves concussion symptoms in youth even when rest is delayed: A preliminary study. Poster presentation at the 2013 International Sports Concussion Symposium. Minneapolis, Minn. May, 2013.
24. Ott S, Schatz P, Solomon G, Ryan JJ. (2013). Neurocognitive Performance of Spanish-Speaking Hispanic Athletes on ImPACT. Poster presentation at the 2013 International Sports Concussion Symposium. Minneapolis, Minn. May, 2013.
25. **Higgins K, Kelley T**, Elbin RJ, Ott S, Solomon G & Schatz P. (2013). Utility of repeated administration of ImPACT following an invalid baseline. Poster presentation at the 2013 International Sports Concussion Symposium. Minneapolis, Minn. May, 2013.
26. Schatz P. & **Ferris C**. (2012). One-month test-retest reliability of ImPACT. Poster presentation at the 32nd Annual Conference of the National Academy of Neuropsychology, Nashville, TN, November, 2012.
27. **Glatts C**. & Schatz P. (2012). "Sandbagging" baseline concussion testing on ImPACT is more difficult than it appears. Poster presentation at the 32nd Annual Conference of the National Academy of Neuropsychology, Nashville, TN, November, 2012.
28. Elbin, R.J., Kontos, A.P., Schatz, P., Covassin, T., Pardini, J., Collins (2012). "New concussion symptoms factors: Age and sex differences among high school and college athletes." Poster presentation at the American College of Sports Medicine Conference, San Francisco, CA, June 2012.
29. **Ramanathan D**, McWilliams N, Schatz P, Hillary FG. (2012). Increase in Traumatic Brain Injury Incidence in Older Adults: 18-Year Trends in Pennsylvania. Poster presentation at the 40th Annual Conference of the International Neuropsychological Society, Montreal QUE, February, 2012.
30. Schatz, P., **Cameron, N**. (2011). The effects of technology-related and software-related factors on neurocognitive baseline test performance using ImPACT. Poster presentation at the 31st Annual Conference of the National Academy of Neuropsychology, Marco Island, FL, October, 2011.

#### **Organizational Service: Technological:**

**Developer.** Jan. 2008 - 2009. NDS Scoring Program, Practice Shapers, LLC, Lawrenceville, NJ.

**Webmaster.** Sept. 1996 - 2007. National Academy of Neuropsychology.

**Webmaster.** Sept. 1998 - 2008. Philadelphia Neuropsychology Society.

**Course Development.** 1996 - 2004. National Academy of Neuropsychology distanCE Program.

**Workshop Leader.** Developing courses for the World-wide Web: Web page design. Syllabus Press, Inc. Sonoma State University, CA, 1997-1999.

**Software Development.** 1996 - 2000. Consultant to MacLaboratory for development of Introductory, Cognitive, and Abnormal Psychology Course work. MacLaboratory Inc., *Devon, PA*.

#### **University Service – Appointed and Elected Committee Work**

Interim Ad-Hoc Budgeting and Planning Committee	2014 - present
Board on Rank and Tenure (elected)	2013
Faculty Senate Executive Committee	2011 - 2013
Faculty Review Board (elected)	2008 - 2013
Chair, Institutional Review Board for the Protection of Human Subjects in Research	2002 - 2011
Hearing Committee (elected, then appointed as Chair)	2005 - 2007
Elections Committee (appointed, served as chair 2004-2006)	2002 - 2005

#### **University Service - College Level**

Ethics Intensive Committee	2013 - present
Health Professions Advisory Committee	2013 - 2014
Summer Scholars Committee (appointed)	2006 - present
College of Arts and Sciences, College Council Executive Committee (elected)	2006 - 2009
	2015 - present
CAS Laptop Committee	2005 - 2009
Advisory Board for the Annual Scholars' Conference on the Holocaust and the Churches	2003 - 2008
Sigma Xi Grants Reviewer	2000

#### **University Service: Technological**

Academic Advisory Team for Computer Replacement	2008 - 2009
Electronic Communications Committee (co-Chair)	2008 - 2009
Distributed Education Task Force	2003 - 2004
Content Management System Evaluation Committee	2003
Faculty Bibliography Committee	2003
Web Site Focus Group	2003
Task Force for Distant Education	2000 - 2001
JesuitNET Discussion Group	2000

Technology Open House, Presenter	1999 - 2002
Task Force for Classroom Technology	1999 - 2001
Campus Pipeline Committee	1999 - 2000

**University Service: Departmental**

Department Library Liaison	2007 - 2013
Grader: Graduate Comprehensive Examinations	2001 - present
Psychology Department Webmaster	1998 - 2009
BRT Document of Expectations Sub-Committee	2007 - 2008
Department Program Review Committee	2005 - 2008
Departmental Software Audit	2002
Moore Psychology Club (advisor)	1998 - 2001
